Now run to where you brush your teeth, Valentine!

Spending time with you is simply the best!

You can find your next clue where you lay your head to rest!

February 14th is a special day where we celebrate love.

Go to the place where we'd keep a hat, a coat, and even a glove!

You are always in my heart, whether you are near or far.

The next clue can be found near the cookie jar!

When I think of you, I smile with joy and pride.

Your next clue is hiding on what guests turn to come inside!

I love you at night, at noon, and at dawn.

Now search for what we use to turn the TV on!

You are so very special to me.

If I were a clean cup, where would I be?

I love you to the moon and back!

Now go peek in the place where you'd find a frozen snack!

Happy Valentine's Day! You found your last clue.

I hope you realize how very much I love you!

You are one of a kind—that's true, indeed!

The next clue is hiding with the books you love to read.
