Start with the Story

This is a great way to get kids focused and excited about the book

- Ask the kids to keep track of the number of times they see a ship throughout the pages
- Have them guess what kind of animal will appear next to help them think about the story creatively
- At the end, ask them how they think sleep comes

It's not a party without GAMES

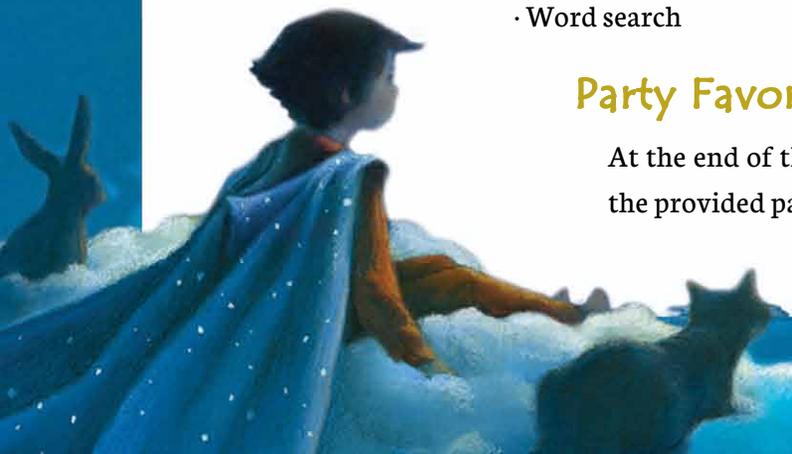

This is the perfect opportunity for kids to apply what they took away from the book with hands-on activities.

- Coloring sheets
- Writing prompts
- Word search
- Number game
- Puzzle

Party Favors

At the end of the event, give everyone a glow-in-the-dark star from the provided packet and help them hang up their activity sheets.
