

## Number/Picture Match

1, 2, 3, or 4... How many do you see? Draw a line connecting the number to how many you see in each picture.

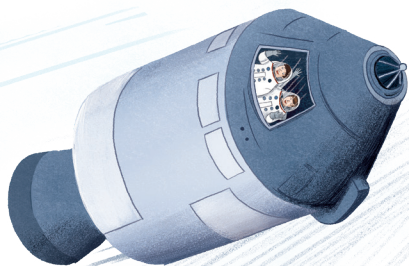

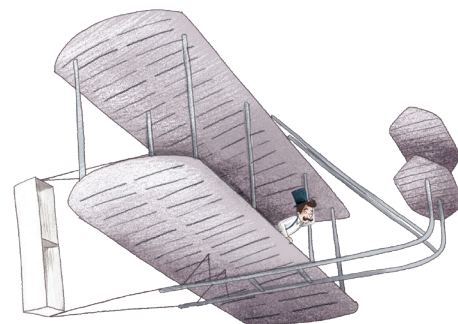

# MOON'S FIRST FRIENDS

One Giant Leap for Friendship

## Choose Your Ride

The moon loves visitors. Maybe one day YOU will visit her! But how would you get there? Circle the picture of the vehicle you would take to get to the moon.

## Phases of the Moon

Read each caption and draw the phases of the moon.

One Giant Leap for Friendship

## My Moon Chart

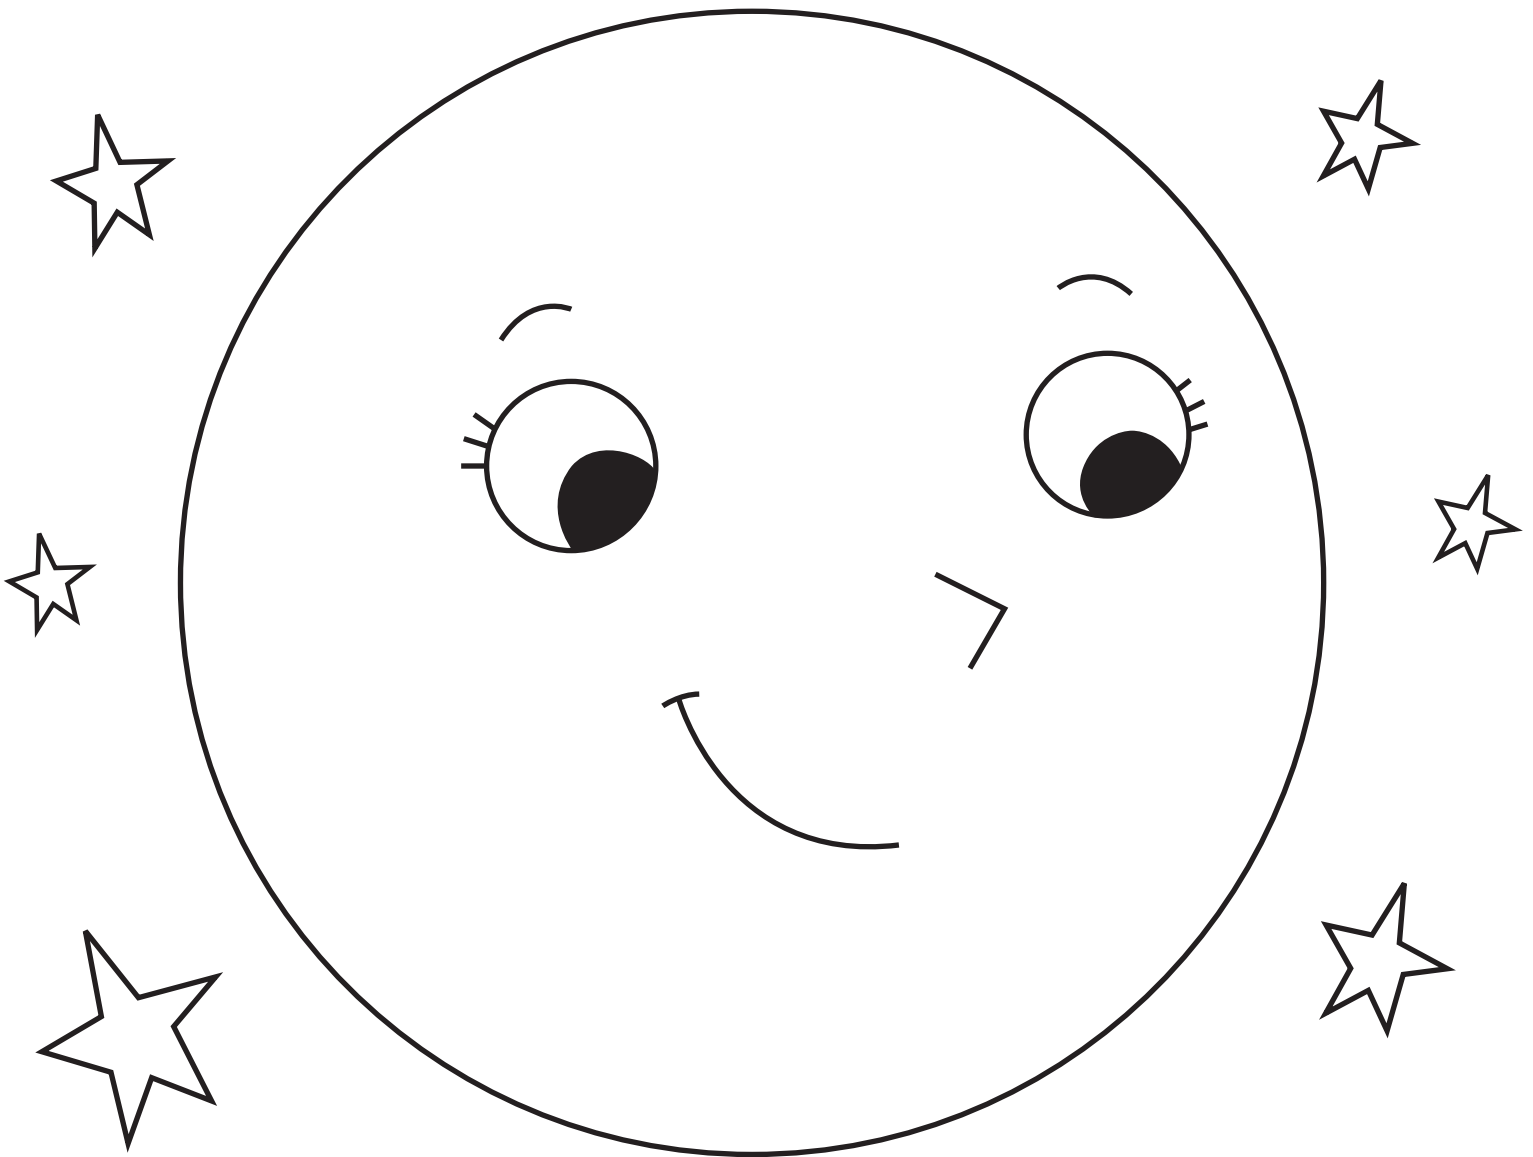

Look at the moon each night for one month. Write down the date of each observation and shade the circle to reflect the shape of the moon.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						
						
						
						

## Craft Sheet

The Moon has many phases. Which do you like best? Color in the Moon to show your favorite phase! Then hang it in your room so the moon always has a friend nearby...

Hi, my name is \_\_\_\_\_.

I'm one of the Moon's first friends!
