Sourcebooks Casablanca Acquires the Beloved *Elements Series* by Bestselling Author **Brittainy Cherry**

*The partnership includes world print distribution of The Elements Series,
leading to the launch of a new frontlist title in 2025!*

(Chicago – August 28, 2023) Sourcebooks Casablanca is thrilled to announce the acquisition of world English print distribution rights for the acclaimed, reader-favorite *The Elements Series* by international bestselling romance author **Brittainy Cherry**. These four poignant, emotionally charged love stories have captivated hearts around the world, and now will be widely available for the first time ever. The imprint will also publish a new frontlist original by the author in February 2025.

The *Elements Series* is a collection of standalone novels, each centered around themes of love, healing, and personal growth. This series draws inspiration from the four classical elements—air, fire, water, and earth—and weaves them into stories that touch upon the deepest facets of human emotions. Casablanca will be publishing these four novels in 2024: *The Air He Breathes*, *The Fire Between High & Lo*, *The Silent Waters*, and *The Gravity of Us*. Each novel in the series is a unique exploration of love's transformative power, making them perfect additions to the Casablanca roster of heartwarming and engaging romance novels.

The audiences who read *The Elements Series* in the original independently published format expressed their captivation with the depth and authenticity of **Cherry's** characters across retail and review sites. **Mary Altman**, Senior Editor at Casablanca, acquired the novels, and offers high praise for the author, saying, "**Brittainy** has an incredible gift for making you feel every single heartbreak, every single loss, and every single transcendent moment of joy." **Altman** continues, "Her books are an extraordinarily cathartic experience; she is my go-to read whenever I want to cry my way toward a beautifully satisfying happy ending."
