## USA TODAY BESTSELLING AUTHOR CATHERINE COWLES JOINS SOURCEBOOKS CASABLANCA

Partnership includes North American Print Distribution of the popular "Tattered & Torn" Romantic Suspense Series, Leading to the Launch of a New Standalone in 2025!

(Chicago – October 9, 2023) Sourcebooks Casablanca, one of America's most progressive and popular romance imprints, is delighted to announce an exciting acquisition that is sure to set the literary world abuzz. USA Today bestselling author Catherine Cowles, known for her enthralling Tattered & Torn steamy romantic suspense series, will be joining the Casablanca family, bringing her stories to the forefront of North American bookstores.

Drawing inspiration from Sourcebooks' nimble and quick-to-market Bloom Imprint, which is home to a roster of top-selling and *New York Times* bestselling authors like E L James, Lucy Score, Scarlett St. Clair, Mia Sheridan, and more, Cowles brings her unique vision to the Casablanca family. Cowles expresses her enthusiasm, stating, "I am beyond excited to join the Sourcebooks Casablanca family and bring the Tattered & Torn series to bookstores across North America. This has been a dream of mine since I became an author, and I am incredibly grateful to the amazing team at Casablanca for making it possible."

Acquiring editor Gretchen Stelter also shares her excitement, echoing Cowles's sentiments, "Catherine Cowles's small-town romantic suspense takes romance to a new level. It's always heartfelt and poignant, with enough spice and mystery to make it unputdownable. I'm so thrilled to be working with her and getting to introduce a whole new readership to Wolf Gap and the Easton family, as well as seeing where her new standalone takes us."

Readers can anticipate the first book in the series, **Tattered Stars**, in September 2024 and book two, **Falling Embers**, in November 2024. Other books in the series, including **Hidden Waters**, **Shattered Sea**, and **Fractured Sky**, will follow a brand-new book in Spring 2025!

The Sourcebooks Casablanca team is thrilled to embark on this journey with Cowles and eager to share her emotionally charged, suspenseful romances with a wider audience.

USA Today bestselling author **Catherine Cowles** has had her nose in a book since the time she could read and finally decided to write down some of her own stories. When she's not writing, she can be found exploring her home state of Oregon, listening to true crime podcasts, or searching for her next book boyfriend. You can find more information about her at [catherinecowles.com](http://catherinecowles.com).

**Sourcebooks** is a thriving entrepreneurial company that brings extraordinary authors to readers in the most dynamic, data-driven ways.
